

Seal-Rite Concrete Sealers

Dunrite Concrete Equipment & Accessories is pleased to offer you our house-brand acrylic sealing products. They are abrasion-resistant, solvent-based, durable sealers. They're ideal for driveways, walkways, patios, decorative slabs, garage pads, and more.

We sell two different types of sealers, available in different sheens, depending upon your job requirements –

“Cure and Seal” comes in Low Gloss 15% and High Gloss 30%.

“Sealer” comes in Low Gloss 20%, Medium Gloss 25% and High Gloss 30%

Call our Order Desk at 403-236-1155 for more information. Our staff would be pleased to help you select the right sealer for your particular application.
